### Traditional Wedding Activities

Please consult with DJ Brian Barckley for help in planning the events below to make the best plan for your reception at least two weeks prior to your reception date. I recommend that The Bridal Dances (1.2.3.4. below) and The Cake Cutting Ceremony take place **before** dinner begins if time permits. Please use the boxes below to check your preferences. Remember to call two weeks before your reception to confirm your important details.

Please indicate the musical selection for each item below (1.2.3.4.). Please include the song title and artist for each song requested. If you are not participating in a dance listed below simply write in "not participating" on the corresponding line. Remember to place a ✓ in the box to indicate the dances to be done before or after dinner.
